

Speaking Points

Joe Lewis

Workforce and Staffing Consultants will be maintaining an assistance program for laid-off employees through the month of May. Employees should complete the Employee Information Form and forward it via e-mail to Iris.Goodrich@state.co.us or by fax to 303.866.2458. The information will be forwarded to agency HR staff as it becomes available.

After June 1 we will be looking at alternate ways of collecting and relaying the information. HR staff are encouraged to contact their colleagues at other agencies to facilitate the placement of laid-off employee.
